11th July 2024

Dear Parent/Guardian

New catering provider and school meals

I am very delighted to inform you that we have procured a new catering provider for the school effective from 1 September 2024. Our new provider will be **Aspens** and they have extensive experience of providing catering to nearly 1000 schools across the country. The students were part of the selection panel for the new provider and they are really delighted by what Aspens will offer.

We are excited about their menu and their offer is fully compliant with school food standards. Needless to say, that their food is also halal.

The cost of a main food deal will be **£2.53** and this is in line with the funding we receive from the government for students in receipt of free school meals – please see link

As you can see from the attached documents, there is a wide and varied range of food items on offer (including the following menus; breakfast, including free porridge; mid-morning break; budget buster; deli kitchen & streateries) at different price points to cater for all needs. All students in receipt of free school meals will continue to receive meals to the value of £2.53.

There is no change to the payment system. You can continue to top up your child's account via parent pay or they can use one of the top up machines we have in school. **We do not accept cash at the tills.**

Yours sincerely

Dr D. Olukoshi, OBE
Principal
